

SHACKLES

Intro: Gm Cm D Gm

CHORUS:

Gm Cm
Take the shackles off my feet so I can dance
D Gm
I just wanna praise you I just wanna praise you
Gm Cm
You broke the chains now I can lift my hands
D Gm
And I'm gonna praise you I'm gonna praise you

VERSE1:

Gm
In the corners of mind
Cm D
I just can't seem to find a reason to believe
Gm
That I can break free
Gm
Cause you see I have been down for so long
Cm
Feel like the hope is gone
D
But as I lift my hands, I understand
Gm
That I should praise you through my circumstance

VERSE2:

Gm
Everything that could go wrong
