

Go in God's peace

Go in God's peace, as we leave this meeting.

Stay in His will 'til we meet here again.

Our God is able to keep you wherever you go

Just let His peace give your mind ease, now let's say Amen.

Vamp:

Amen, Amen, Amen, Now come on all my brothers, singing
Amen, Amen, Amen, Now let's go home, my sisters, singing
Amen, Amen, Amen, Now come on everybody, singing
Amen, Amen, Amen

(last time)

Just let His peace

Just let His peace

Just let His peace give your mind ease, now let's say Amen.

Special:

When you go out, when you come in

Wherever you go

When you rise up, when you lie down,

Wherever you go
