“God of Our Fathers” By Pastor Renée

David's time was coming to an end. So he commanded Solomon his son, "Guard what is owed to the Lord your

God, walking in his ways and observing his laws, his commands, his judgments, and his testimonies, just as it is written in the Instruction from Moses. In this way you will succeed in whatever you do and wherever you go."

1 Kings 2:1,3 (CEB)

Outdoor Worship

Sunday morning pop-up mini-church gatherings are happening! Listen to online worship together, pray, experience communion. Visit Ron Baker's yard this week or Walt & Lee Ann's deck. Contact Renée for additional details!

LarBQ 2021

Paige Weston and Laurence Mate ask you to mark your calendars for the LarBQ: Saturday, October 16. The LarBQ is our annual food fest and fundraiser for Spring Initiative. This year's theme is street food from around the globe. As we did last year, we'll probably have to ask guests to sign up for particular, non-overlapping timeslots, so we can minimize the risk of sharing germs. (If infection rates slow down in the county, we'll be more flexible.) Please watch for further announcements.

AntiRacist Action

The American Rescue Plan (prioritizing communities disproportionately impacted by COVID or that experienced increased violence,) allocated 85 Million dollars to our county and major cities. The Trauma & Resilience Initiative believes that this is a UNIQUE opportunity to address community violence in a comprehensive, effective and equitable manner. They ask us to (a) Contact our mayors, City Council and county board members and/or (b) Speak at a Council/County board meeting with the talking points in the Allies for ARP Equity flyer.

July Giving

Thank you for the abundant July offerings of \$26,165. We are grateful for your generosity and God's provision for our fellowship and our community!
