“Do You or Don’t You?” by Jeff Trask

... "Lord, to whom can we go? You have the words of eternal life. We have come to believe and know that you

are the Holy One of God." John 6:68-69

Scams Target Churches Too!

If you get a text or email that says a pastor is busy in a prayer meeting and have something they need you to handle discreetly- It's a Scam. Don't reply! You may call Renée any time. If she can't pick up her phone (or it is silenced for sleep) she'll get back to you later.

Outdoor Worship

Sunday morning pop-up mini-church outdoor gatherings are happening! Listen to online worship together, pray, experience communion. Worship on Walt & Lee Ann's deck this week. Contact Renée for additional details!

Closing Song

Ain't no rock, gonna cry in my place
as long as I'm alive I'll glorify God's holy name (2x)

Praise God's holy name

As long as I'm alive I'll glorify God's holy name

Ain't no tree, gonna lift its branches

I lift my hands to glorify God's holy name (2x)

Ain't no birds, gonna sing in my place

I lift my voice to glorify God's holy name (2x)

I waited, For the Lord on high

I waited, And He heard my cry (2x)

He pulled me out of my despair

And showed me where to walk

From fear into security,

From quicksand to a rock **(chorus)**

And there's a new song, In my heart to sing

There's a new song, Praises for my King

I sing to let the people know

That I have been restored

And they will hear and understand

To return and trust in the Lord

Bless the Lord, Oh my soul

Oh my soul, worship his holy name

Sing like never before, Oh my soul

I'll worship your holy name

The sun comes up, it's a new day dawning

It's time to sing your song again

Whatever may pass and whatever lies before me

Let me be singing when the evening comes **(chorus)**

You're rich in love and You're slow to anger

Your name is great and Your heart is kind

For all Your goodness, I will keep on singing

Ten thousand reasons for my heart to find **(chorus)**

And on that day when my strength is failing

The end draws near and my time has come

Still my soul will sing Your praise unending

Ten thousand years and then forevermore **(chorus)**
I'll worship Your holy name...

Hidden from sight, we affirm and believe

The Lord is with us, The Lord is with us

Bearing us through every loss we may grieve

The Lord is with us, The Lord

The Lord is with us

With might to protect us

With strength to defend us

The Lord is with us. The Lord is with us

With wisdom to guide us

With peace to refresh us

The Lord is with us.

Come to the river, the river's too wide, but

The Lord is with us, the Lord is with us.

Though we're surrounded on every side

The Lord is with us, the Lord.... (chorus)

God's thoughts are not like the thoughts that we think

The Lord is with us, the Lord is with us.

High as the heavens and deeper than deep

The Lord is with us, the Lord... (chorus)

The Lord is with us

With love to enfold us, With joy to crown us

The Lord is with us, The Lord is with us

The Lord is with us

This day and this night

Now and forever, the Lord is with us (2x)

Keep your lamps trimmed and burning, (3x)

For the time is drawing nigh.

Children, don't grow weary, (3x)

'Til your work is done. **(chorus)**

Christian, journey soon be over (3x)

The time is drawing nigh. **(chorus)**

Lead me, guide me along the way,

For if you lead me I cannot stray.

Lord let me walk each day with Thee.

Lead me, oh Lord lead me. (repeat chorus)

I am weak, and I need Thy strength and power

To help me over my weakest hour;

Lead me through the darkness Thy face to see,

Lead me, dear Lord, lead me. **(chorus)**

Even if the darkness seems to cover me

And I'm alone

Where no one can reach me in my misery

All alone

I will still be held by (3x)

My own choice and Thee (2x)

Even if the friends I love should turn from me

Turn and go

And I'm left with nothing good that I can see

Yet I know

I will still be held by (3x)

My own choice and Thee (2x)

If the strength I have is all drained out of me

And I could drown

'Neath a wave of grief that sucks the breath from me

Going down

I will still be held by (3x)

My own choice and Thee (2x)

Benediction:

O God, Wisdom of the universe,

you bear the pain of your people.

Grant us the gift of wisdom,

that we may discern your way

and live justly and graciously

amid the struggles of this world. Amen.
