“Suffering, Mercy, and Collective Sin”

Although he was a Son, he learned obedience from what he suffered. After he had been made perfect, he became the source of eternal salvation for everyone who obeys him.  
Hebrews 5:8-9 (CEB)

## Greetings from Paula Massey and Mark Middleton

Mark and Paula moved to Erie, PA to be closer to their 3 yr old grandson who is expecting a baby sister in January. They include NCF in their morning prayers and would be happy to visit with anyone traveling their way.

## Friends of John Donnelly

Marty Shupack invites you to send John an email or card of encouragement. John was recently hospitalized, but is out now and doing a bit better. Prayers are appreciated. (see NCF email for John's contact info)

## Dog needs a Temporary Home

A friend of Lee Ann Kelly's needs 5-6 months of care for her small (terrier mix) dog. Contact Lee Ann for more information if you can help.

All creatures of our God and King  
Lift up your voice and with us sing,  
Alleluia! Alleluia!

Thou burning sun with golden beam,  
Thou silver moon with softer gleam!  
O praise Him! O praise Him!  
Alleluia! Alleluia! Alleluia!

Thou rushing wind that art so strong  
Ye clouds that sail in Heaven along,  
O praise Him! Alleluia!

Thou rising moon, in praise rejoice,  
Ye lights of evening, find a voice!  
O praise Him! O praise Him!  
Alleluia! Alleluia! Alleluia!

Let all things their Creator bless,  
And worship Him in humbleness,  
O praise Him! Alleluia!

Praise, praise the Father, praise the Son,  
And praise the Spirit, Three in One!  
O praise Him! O praise Him!  
Alleluia! Alleluia! Alleluia!

I keep fighting voices in my mind that say I'm not enough  
Every single lie that tells me I will never measure up  
Am I more than just the sum of every high and every low  
Remind me once again just who I am  
because I need to know

**You say I am loved when I can't feel a thing  
You say I am strong when I think I am weak  
And you say I am held when I am falling short  
And when I don't belong, oh You say I am Yours  
And I believe, Oh, I believe  
What You say of me, I believe**

The only thing that matters now  
is everything You think of me  
In You I find my worth, in You I find my identity

**(chorus)**

Taking all I have, and now I'm laying it at Your feet  
You'll have every failure, God,  
You'll have every victory **(chorus)**

**This is the air I breathe, This is the air I breathe  
Your holy presence, Living in me  
(repeat)**

And I... I'm desperate for you  
And I... I'm lost without you  
This is my daily bread, This is my daily bread  
Your very word, Spoken to me

*And I... I'm desperate for you*

*And I... I'm lost without you (repeat)*

My sister, my sister, could use a little mercy now  
She's a stranger to freedom,  
shackled to her fear and doubt  
The pain that she lives in  
it's almost more than living will allow  
I sure love my sister, she could use a little mercy now  
My father, my father could use a little mercy now  
The fruits of his labor rot slowly on the ground  
His work is almost over  
it won't be long, he won't be around

I love my father, he could use a little mercy now  
My church and my country  
could use a little mercy now  
As they sink into a poisoned pit  
it's going to take forever to climb out  
They carry the weight of the faithful who follow them down  
I love my church and country,  
they could use some mercy now

Every living thing could use a little mercy now  
Only the hand of grace can end the race  
towards another mushroom cloud  
People in power, they'll do anything to keep their crown  
I love life and life itself could use some mercy now

Every single one of us could use some mercy now  
I know we don't deserve it but we need it anyhow  
We hang in the balance 'tween earth  
and hallowed ground

And every single one of us could use some mercy now  
And every single one of us could use a little mercy now (2x)

**Save us, O Lord, carry us back.  
Rouse Your power and come  
Rescue Your people; Show us Your face.  
Bring us back.**

O Shepherd of Israel, hear us.  
Return and we shall be saved.  
Arise, O Lord; hear our cries, O Lord. Bring us back!  
(chorus)

How long will You hide from Your people?  
We long to see Your face  
Give ear to us, draw near to us, Lord, God of hosts!  
(chorus)

Turn again; care for Your vine;  
protect what Your right hand has planted.  
Your vineyards are trampled, uprooted and burned  
Come to us, Father of might! (chorus)

In my Father's house there are many, many rooms (2x)  
And I'm going up there now to prepare a place for you  
That where I am, there you may also be  
*If I go prepare a place for you I will come back again (2x)*  
You know I am the Way the Truth the Life  
keep my command  
That where I am, there you may also be.  
**That where I am, there you may also be  
Up where the truth, the truth will set you free  
In the world you will have trouble, but I leave you my peace  
That where I am, there you may also be**  
Remember you did not choose me,  
no I have chosen you (2x)  
The world will show you hatred, the Spirit show you truth  
That where I am, there you may also be
