BENEDICTION

May God bless us with Discomfort...
at easy answers, half-truths,
and superficial relationships,
so that we may live
from the depths of our hearts.

May God bless us with Anger...
at Injustice, oppression,
and exploitation of people,
so that we may work for
justice, freedom, and peace.

May God bless us with Tears...
to shed for those who suffer
from pain, rejection, starvation, and war,
so that we may reach out our hand
to comfort them
and turn pain into joy.

And may God bless us
with enough Foolishness...
to believe that we can make a difference
in this world,
so that we can do
what others claim cannot be done.
Amen.
